Dear Industry Colleague,

We invite your company to support the Cardiovascular Team Lecture Series by the Iowa Chapter of the American College of Cardiology.

This lecture series will take place on Saturday, December 5 and Saturday, December 12 virtually. This series will be visited by nurses, nurse practitioners, physician assistants, clinical pharmacists, cardiac rehabilitation specialists and other cardiology-based team professionals. Our recorded lectures will also be posted on the chapter's website.

We believe in advancing science and education in an affordable fashion to the Cardiovascular community and hope we can count on your support to help us achieve this. The success of Chapter educational meetings is due to the excellent educational partnership we have had with our sponsors with adherence to the ACCME Standards of Commercial Support. With expenses toward website development, migration, and video storage, CEU and Pharmacy Credits, we look forward to your valuable contribution and cooperation to make this lecture series success. Attached is a copy of the agenda for the Lecture series.

Exhibit opportunities are open to companies in addition to yours. The exhibit display fee is \$750. In appreciation of your support, we will display your Company name, Logo and allow you to post a link for one product. Please complete the attached Sponsor Registration form and return the pdf form by email to [nancy-adams@uiowa.edu](mailto:nancy-adams@uiowa.edu). The Iowa Chapter-ACC Federal Tax ID is #42-139-8858.
